The Adventures of Sherlock Holmes – Sir Arthur Conan Doyle 2005

The Adventures of Sherlock Holmes.pdf

The Adventures of Sherlock Holmes is a 56-story series published by Sir Arthur Conan Doyle in 1903. It is divided into three volumes. The story is a collection of 56 short stories and is one of the most famous works in the genre of detective fiction. The stories are presented in a chronological order, starting with "A Study in Scarlet," the first of the series, and ending with "The Final Problem," which is the last of the series. The stories are about the adventures of Sherlock Holmes, a detective and consulting detective who is known for his ability to solve crimes. 

The stories feature a variety of characters, including John Watson, Dr. John Watson, and Dr. Watson. The stories are known for their use of logic and observation to solve crimes. The series is a classic work in the genre of detective fiction and has been translated into many languages. The stories are still popular today and have been adapted into many films, television shows, and other media. 

The series is divided into three volumes:

The Cambridge History of the English Short Story-Dominic Head 2016-11-14 The Cambridge History of the English Short Story - Volume 2: The Nineteenth Century - Charting the origins and generic evolution of the English short story to the present day, and written by international experts in the field, this book covers numerous transnational and institutional connections between writers, modes and forms of transmission. Suitable for English literature students and scholars of the English short story generally, it will become a standard work of reference in the field.

Sherlock Holmes For Dummies-Steven Doyle 2010-03-22 Get a comprehensive guide to this important literary figure and his author. Sherlock Holmes and his Adventures on American Radio—Ian Dickerson 2019-11-28 It’s been over a hundred and twenty-five years since the adventures of Sherlock Holmes first appeared in print and captivated a generation of readers. Subsequent generations have enjoyed, adapted and expanded on his adventures leading him to become perhaps the most enduring character in fiction. That long run has been helped by his adventures in a variety of media, most notably film and television. But what about radio? Holmes has had a long career in radio on both sides of the Atlantic, indeed the radio adventures of Sherlock Holmes are almost as old as radio itself. He debuted on air in 1922 and just a few years later Holmes and Watson were featuring in a regular weekly series on NBC in the USA. That series ended in 1936 but when Basil Rathbone and Nigel Bruce made the first of their career-defining fourteen films as Holmes and Watson there was a certain inevitability about Holmes’ return to the American airwaves. The subsequent series ran for seven years and almost two hundred and twenty-five half-hour radio shows. When Rathbone quit the role—in both radio and film—the show limped on for a few years. This book tells the story of these shows.
